

# ATLANTIX PRODUCTS

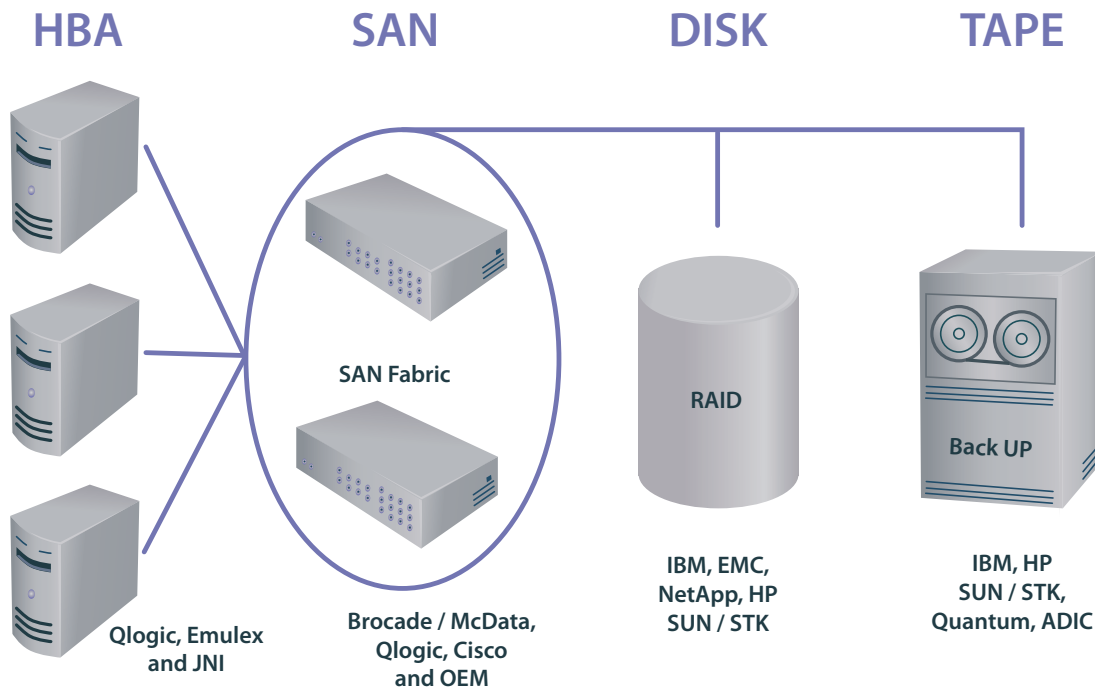

## WHO IS ATLANTIX GLOBAL SYSTEMS?

- o Over 30 years of experience in the IT hardware industry
- o Revenue in excess of \$210 million
- o Serving over 14 languages and 80 countries
- o 30,000 sq. ft. in our state of the art testing facilities
- o Over 30 in-house, manufacturer-trained engineers
- o Over 100,000 sq. ft of warehouse space housing over \$30 million in inventory

Atlantix Global Systems has over 30 years of experience supplying the Information Technology Community with midrange computer hardware. The OEM products we provide are Cisco®, Dell®, HP®, IBM®, Sun®, Storage and Telecom solutions. The industry leader in server and network infrastructure hardware, Atlantix Global Systems can offer generous trade-in options for older equipment. All pre-owned equipment is refurbished, tested and eligible for the manufacturer's maintenance. Price, availability and quality of service are the key reasons for our long-standing success.

## STORAGE SOLUTIONS

## STORAGE PRODUCTS AND SOLUTIONS

Atlantix Global Systems custom designs storage solutions that address tier 1 through tier 3 needs utilizing both state-of-the-art technology as well as economical n-1 technology to provide the best solution at the lowest price.

Our customized solutions include fully configured systems as well as the latest in Storage Management; upgrading your HBAs, SAN Fabric Components, Disk and Tape seamlessly - at a fraction of list prices!

## HOST BUS ADAPTERS

Your SAN requires the speed and redundancy made possible in the use of dual Host Bus Adapters. Atlantix Global is proud to offer new and refurbished single and dual Host Bus Adapters of all speeds from:

- Qlogic
- Emulex
- JNI

## DISK SYSTEMS

Business thrives on data and the delivery of that data must be fast and dependable. Atlantix Global is proud to offer a wide range of Disk products from EMC, NetApp, IBM, Sun Microsystems, EqualLogic, and Hewlett Packard.

- Midrange Disk
- Enterprise Disk
- Network Attached Storage

## SAN FABRIC

The redundancy, speed and security you have developed in your SAN has been costly. Atlantix Global is proud to offer SAN Fabric products from Brocade, McData, Qlogic and Cisco.

- Switches
- Directors and Blades
- SAN Management Software

## TAPE BACK UP SYSTEMS

As your data continues to grow, a reliable and secure back up solution is a must. Atlantix Global is proud to offer a wide range of Tape Back up products from IBM, Sun Microsystems, Hewlett Packard, Quantum, ADIC and SpectraLogic.

- Tape Libraries
- Tape Drives
- Back up Software

## ATLANTIX PRODUCTS & SERVICES
